

16' Aquex Trainer

SWIM SPA COLLECTION

DYNASTY SPAS®

I wanted something that would provide exercise for my wife and me, but I also didn't want to have to do too much maintenance. Our 16-foot Aquex swim spa exceeded our expectations. I have a lot of back and knee pain, but I can use the rowing equipment with little-to-no discomfort, and of course our children love spending any time in the water. I highly recommend Dynasty Spas to our friends and family looking to improve their health and happiness.

IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glows from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.

STANDARD IN.STREAM 2, INTEGRATED BLUETOOTH™ AUDIO SYSTEM

Streamed from your spa, your favorite music never sounded so good! in.stream 2 audio station is a compact, rugged and splash proof all in one outdoor audio system that delivers an awesome sound quality through Class D amplifier technology to enhance your backyard audio experience. It comes with an in.p4 docking station that connects, protects and lets you control your audio player or smartphone directly from your spa keypad.
