

# 19' Aquex Dual Pro

SWIM SPA COLLECTION

DYNASTY SPAS

"I am so glad my partner and I decided on Dynasty Spa's Aquex-19. We use it at least a few times a week, and it's always the focal point when we have friends over on the weekend. We initially started looking at swim spas for the exercise opportunities, but I'd be lying if I didn't admit that the hot tub area probably gets more use these days. If you're looking for an addition to your backyard that provides exercise, fun, and comfort, you won't regret buying one of your own from Dynasty Spas."

### IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glow from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.
